administered by the United States Department of Agriculture. Please help us comply with the requirements of the CACFP by completing, signing and returning the attached statement as soon as possible. This information is necessary to decide the level of CACFP reimbursement your family day care center is eligible to receive for the meals served to children and/or adult participants in our program. This form will be treated as confidential information. All participants in our program receive their meal free of charge, but the determination of eligibility category affects the amount of federal funding we receive.

A foster child enrolled in our program that is the legal responsibility of a welfare agency or court may be certified as eligible for free meals regardless of your household income. Please refer to the instructions on how to complete the Income Eligibility Application form.

The income you report must be last month's total gross household income listed by source, for each household member. If last month's income does not accurately reflect your circumstances, you may provide your annual income or you may use last year's income if no significant changes have occurred. If your households' income is equal to or less than the amounts indicated for your households' size on the chart below, your provider may qualify for maximum reimbursement rates.
